

**REMARKS**

The amendatory subject matter in Claims 1 and 5 relating to "parental blocking data" is found in the specification; see e.g. pages 3-4.

New Claim 41 is directed to similar subject matter as original Claim 4.

The attention of the Examiner is drawn to the references cited in the various Information Disclosure Statements of record in this case and to the copies of the examination reports from corresponding applications in the EPO and China submitted with the IDS of January 9, 2004.

If it is determined that a telephone interview would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 136922001900. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: February 6, 2004

Respectfully submitted,
